CRICKE NOW.

Visitors, Natives and the Band Will Play.

BIG AFTERNOON AT MAKIKI

Maile Ilimas' New Headquarters---Basketball and Baseball Notes.

The cricket season will commence this afternoon at Makiki with a game between a local eleven and the team of H. M. S. Warspite. The Honolulu team will be as follows:

man, J. Catton, J. L. Cockburn, J. W. Harvey, A. R. Hatfield, R. A. Jordan (captain), Rev. V. H. Kitcat, J. Penny, Pijanaja, W. L. Stanley and Thomas,

The Warspite's team is not yet known but will include Lieut.Le Farell (captain), veteran, "I had sixpence in my pocket. Lieut. Knox, Lieut. Shewell, R. S. Woodward, A. G. Underwood, B. Benbow and Grubb.

Wickets will be pitched at 2 o'clock. A large marquee has been erected on the ground and ample seating accommodation provided. During the afternoon, tea will be served by the ladies.

By kind permission of Rear Admiral Bickford, C.M.S., R.N., the band of H. M. S. Warspite will play on the ground throughout the afternoon.

present and witness the playing. That der the name of Matthew Dalton, he was the game will be a good one is assured, for the visitors have an excellent record and the local team, with two or three exceptions, is a good one. The Maile Ilima Athletic Club held a

special meeting last night, at which business of a financial nature was transacted. The club has secured the premises an Kaahumanu street formerly occupied by the Democratic braves, and will use the same as headquarters. Possession will be taken next week.

Owing to the wet condition of the roads on Tuesday night, the Malles had no training run, but will turn out this evening and every Tuesday and Thursday evening following.

The wearers of the green and gold are practicing basketball steadily and are trying to arrange a game with one of the Young Men's Christian Association's teams. The main difficulty is that the latter play the indoor game, while the Mailes play in the open air. The team practices every Monday and Wednesday evening in the High School grounds. In the game of Rugby football to be

played at Punahou tomorrow afternoon between the Warspite and Honolulu teams, the ball used in the Maile Ilima-Oahu College game on Christmas Day

will be brought into requisition.

There was cricket practice at Makiki yesterday afternoon and quite a number of enthusiasts took turns at the net. Rumors are current of a pair-oar race in the near future between representaives of the two big clubs.

Tom Hollinger says that if he matches Aggravation against Virgle A again, it will be at seven furlongs. He says that if the bay can't beat the black at seven furlongs she isn't likely to do so at a mile. In the Aggravation-Ahuimanu race at the same distance, Aggravation ran in 1:334 and got a bad ride at that. The track was also a second and a half slow. Last Saturday Aggravation did not finish In better than 1:35.

On Saturday evening the last series of games in the basketball league will be played. The contests will be between Business Men and Crescents and Intermediates and Stars. The former play at

7:15 and the latter at 8:30. As the teams stand at present the Bus-iness Men lead with the Stars in second place. Should the former lose and the latter win a game, there would be a tie for first place, but such a state of affairs is very improbable.

The Young Men's Christian Association baseball team has commenced practice

and the men are shaping very well. The association should be able to place a crack team in the field as things look at present. The material available includes: Messrs. Bird, Brown, Gorman, Cheatham, Moon, Young, Crook, Wilson, C. Cooke, Cheek, Kerr, Turner, Elston, Raymond and Coats.

Practice takes place every Tuesday and Thursday evening on the drill shed ground and continues from 5 o'clock un-

DON'T NEGLECT.

A Common Case of Piles-It may Lead to Serious Results.

(From the Sydney Herald.)

When people generally understand that all such fatal diseases as fistula, ulcer of the rectum, fissure, etc., almost invariably begin in a simple case of piles, they will learn the wisdom of taking prompt treatment for the first appearance of trouble in this quarter. Doan's Ointment will certainly cure every form of piles - itching, bleeding, protruding, or blind pilesand hundreds of lives have been saved by using this cheap, effective remedy right at the start, because at such a time a single pot will effect a cure, while in the old chronic, deep-seated cases, several pots are sometimes necessary before a lasting cure is effected.

Mr. William Gilliver, of the wellknown firm of Gilliver & Curtis, rail- matters.

way and general contractors, and whose private address is "Avoca," Bankstown, has written the following unsolicited letter, which we herewith publish in full:

Messrs. Foster-McClellan Co., 76 Pitt St., Sydney, N. S. W., February 14,

Dear Sirs:-In justice to you and suffering humanity I write to say that I suffered from itching piles for 22 years. I tried many doctors and pretty well all kinds of patent medicines, but got relief for a short time only. Seeing your Ointment advertised I bought a pot and did not use more re-finish than one-half of it, not six months ago, and I am perfectly cured. You may use this as you wish. Yours gratefully,

WILLIAM GILLIVER.

It cannot be repeated too often that Doan's Ointment will cure itching piles. IT WILL CURE THEM ABSO-LUTELY. But do not take the manufacturer's word for this; ask or write Mr. Gilliver; he knows, for it cured him, and he lives in Bankstown, a suburb 12 miles from Sydney. Is not that the best possible kind of proof? Could there be better?

Doan's Ointment is sold by all dealers at 50 cents per box or will be mailed on receipt of price by the Hol- ALL WORK CALLED FOR AND lister Drug Co., Honolulu, agents for

James Harold, a veteran of the police department, who was placed upon the retired list four years ago, was seated on a bench in Portsmouth Square the other afternoon meditating on the lively times R. Anderson, S. C. Biddell, L. G. Black of days gone by, when he was joined by one of the vagrants who infest that quarter. The stranger said he found it impossible to get work, and suggested that the present economic conditions were a full justification for crime. Harold took the fellow to task for his logic. "When I left Ireland sixty years ago," said the Since then I have never been without money." "Oh, you're talking through your hat," replied the stranger, "and to prove it, I'll just bet you fifty cents you can not show a twenty-dollar piece now." Harold accepted the wager, and drawing a fifty-cent piece from his pocket, was about to place it in the hands of a stake-holder, when the stranger grabbed the money and started to run. Harold was too quick for him, however, and be-fore the fellow could get away he landed once or twice on his neck. The stranger showed fight, and Harold with his cane beat him into submission. The offender Friends of cricket are invited to be was taken to the city prison, where, unbooked on a charge of petty larceny.
